# Rock & Roll

**I'M WITH THE BAND** "A shirt with an edge gives off a loose, casual attitude," says celebrity hairstylist and designer Sally Hershberger, who brings a tongue-in-cheek spirit to her Shagg shirt (bottom left). **HOW TO WEAR** Although many of these Ts offer updated spins on vintage images, they become fashion-forward when paired with shorts, an oversize bag and wedge sandals.

**SHAKIRA**  
flashes the Fab Four.

**LAURA PREPON**  
goes for the Doors.

**ASHLEE SIMPSON**  
rocks the Ramones.
